Greetings Fellow Golfers and Supporters of Oil Patch Kids,

Normally, we would get right in to details of the tournament and of course encouraging your participation and financial support. We still intend to do that, but the priorities for 2020 are completely different for all of us. First and foremost, we sincerely hope you have stayed healthy and safe these last few months. We also hope you can see some light at the end of tunnel and can return to some sort of a typical daily routine very soon.

Our board and advisory staff have some great news, we are going to "tee 'em up" on July 17<sup>th</sup> and 18<sup>th</sup>!

With that announcement, we want you to know we also realize the oil industry has suffered some of the hardest times on record and employees and budgets have felt the worst of it. We also have no doubt we have the best and most resilient oil field family ever right here in the Permian Basin.

We fully intend to base success this year on seeing your faces at this tournament and celebrating better times for our industry which has never failed to recover! Please plan on joining us once again at Hogan Park Golf Course and if you or your company is able to contribute, we will be forever grateful!

Parsley Energy will once again be our Title Sponsor and some of our other patrons have already acknowledged their continued support and we are so blessed because of it.

Our tournament plans, and typical rules and regulations will more then likely look different this year as we adjust costs and format based on your response and participation. No matter what, we have the full support of Hogan Park and all of us working to give you the best experience possible

You can register on-line [here](#) or complete the attached registration form.

We hope to see you there!

*Sincerely,*  
*Oil Patch Kids Board*
